

**BOIL WATER NOTICE RESCINDED
FRIDAY, JUNE 30, 2023**

On JUNE 28, 2023 the Texas Commission on Environmental Quality required the City of Point public water system, 1900004, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of JUNE 30, 2023.

If you have questions concerning this matter, you may contact MATTHEW COLLINS, 903 474 3028. 320 North Locust St. Point, Texas 75472.
